NSF-Research Experience for Undergraduates *Intersection of Linguistics, Language & Culture* 2021 Online Conference

Friday June 4, 2021

Call for Abstract Submission

Abstract Submission Deadline: April 30th, 2021 11.59pm, EST

High School and Undergraduate students who work with a Faculty Mentor on a research project on any aspects of linguistics or speech-language-hearing-communication sciences are invited to submit an abstract to present a poster at the 3rd ILLC Conference.

The program will feature oral presentations by the current 9 NSF REU ILLC site fellows on language use and identity, language structure, language acquisition and multilingualism involving diverse languages (e.g. African American English, Haitian Creole, Jamaican Creole, Malayalam, Ukrainian and Spanish) and poster presentations by High School and Undergraduate students from different states.
